

## **POLICY IMPLEMENTATION**

The Superintendent is charged with the responsibility for effective administration of the schools, including the preparation, where applicable, of detailed regulations to implement Committee policies. The Superintendent may delegate to his/her central staff and other administrators the authority to enact such rules.

Each employee and student shall be held responsible for complying with regulations, which duly implement the policies of the Committee.

CROSS REFS.:       BF and subcodes (all relate to policy development)  
                          CH subcodes (all relate to policy implementation)
