

## ORGANIZATION OF INSTRUCTION

The School Committee, which is responsible for the structuring of public education in Arlington, has authorized the following divisions in instructional level:

At the elementary level, housed in neighborhood school buildings throughout the town:

kindergarten  
through grade five

At middle school level, housed in one middle school:

grades six, seven and  
eight

At the high school level, concentrated in Arlington High School to serve the entire town:

grades nine through  
twelve
