

## **STUDENT DRESS CODE**

The School Committee considers dress to be a personal and family matter; students will be expected to exercise good judgment as to appropriate dress. Students shall come to school dressed in a fashion that will not inhibit either the teaching or learning processes or promote an unsafe environment. It is expected that students will demonstrate good taste in this matter and will take pride in their personal appearances.

Immediate responsibility for determining what is or is not appropriate dress will rest with the Principal.
