

Have a question about an assignment, classroom activity, classroom expectations, or your child's experience in the classroom?

Please contact your **classroom teacher**.

Were you satisfied with the response you received or do you need further assistance?
Please contact your **building principal**.

Do you have a question about your child's IEP or delivery of special education services?

Please contact your **special education liaison/special education teacher**

Were you satisfied with the response you received or do you need further assistance?
Please contact your **building team chairperson**

Still need assistance? Please contact your **building principal**.

Is this bigger than a building issue and concerns district-level systems and practices?
Please contact your **special education coordinator**

There may be times that you will need to speak to the Director of Special Education.

Alison Elmer (781) 316 3533
aelmer@arlington.k12.ma.us

In order for these conversations to be most effective, it will be important that you have first spoken with and tried to address your concerns with your building team members.
