

**Arlington Public Schools**  
**Technology and Internet Acceptable Use Agreement**  
**Grades PreK-2**

In the APS all students have access to computers and the Internet in their classrooms, Library Media Center and computer lab. In order to have these privileges at school parents are asked to read the district Acceptable Use Policy at the following link: <http://www.arlington.k12.ma.us/asc/policies/ijndb.pdf> and to read and discuss this Acceptable Use Agreement with their child, then sign it and return it to the classroom teacher. Thank you for your support and cooperation.

- I will be a responsible user of technology by following the rules of this agreement.
- I will use the Internet for doing schoolwork.
- I will follow the rules for taking care of equipment, including, but not limited to computers, cameras, etc.
- I will not eat and drink while using school equipment.
- I will tell the staff person in charge if I have problems while using the school equipment.
- I will not interfere with or stop other students from using school computers or programs.
- I will be responsible for my student folder and the work that is saved in it.
- I will not go into other people's folders or change their work without their permission.
- I understand that the use of the APS's technology is a privilege, not a right, and that inappropriate use or behavior that goes against the school Code of Conduct in the Elementary Handbook may lead to a loss of these privileges and/or other disciplinary actions.
- I release the APS from any liability that may result from my use of school technology, including use of the Internet.

**After reading and discussing this agreement, we agree to abide by its conditions.**
