- Dependent Eligibility: Eligible dependents are covered up to age 26.
- **Rollover Maximum:** *Rollover Max dollars do not apply to orthodontic services.* To qualify for Rollover Max, you must receive at least one cleaning or oral exam in the calendar year. You must be enrolled for dental coverage before the 4<sup>th</sup> quarter of the plan year (10/1-12/31) and your paid claims must not exceed the maximum "threshold" amount.

Plan	Your calendar year maximum benefit amount.	If your total yearly claims don't exceed this threshold amount...	Then you can roll over this amount to use next year, and beyond.	Your accumulated rollover total is capped at this amount.
High Plan Only	\$1,500	\$700	\$500	\$1,250

- Non-participating dentists may balance bill. Subscribers are responsible for the difference between the non-participating maximum plan allowance and the full fee charged by the dentist.
- Ask your dentist to submit a pre-estimate to Delta Dental for any procedure that exceeds \$300.00. This will help you estimate in advance any out-of-pocket expenses you may incur and will confirm that the services you're having are covered under your dental plan.
