Arlington Public Schools Names Chief Financial Officer

Superintendent Kathleen Bodie recently announced that the School Committee has appointed John Danzio to the position of Chief Financial Officer for the Arlington Public Schools. Mr. Danzio brings years of relevant experience to the position. He has been the Director of Finance for the Winchester Public Schools since 2009. Winchester recently concluded several school building projects, so Mr. Danzio also brings this experience with him.

Prior to his current position, Mr. Danzio served for two years as School Business Administrator in the Salem Public Schools. He also has knowledge of municipal government, having worked for the City of Woburn as Deputy Auditor.

Mr. Danzio will assume the Arlington Public Schools CFO position in July 2017, the start of the next fiscal year. Kathleen Bodie stated, "I am pleased that Arlington Public Schools will be bringing an experienced administrator to the position of Chief Financial Officer and I look forward to working with Mr. Danizio." The position has been open since the prior incumbent left earlier in 2017.
