

Summer ALGEBRA 1 REVIEW for students entering grades 8-10

A review course for students who want to prepare for Honors Geometry (9th grade) or Algebra II (10th grade), this course is not a replacement for Impact 2B, but reviews important concepts in Algebra 1. Course meets Aug. 15-26 @ Ottoson Middle School from 9am-noon, and is taught by Jane Martin, a subject-certified instructor. Cost is \$300. Enrollment is limited; minimum class enrollment is needed for the course to take place, so please register early. Send questions about this course to Mrs. Martin jmartin@arlington.k12.ma.us.

To register, call 781-316-3568.
