

**MONDAY, FEBRUARY 5, 2018 - JUNIOR PARENT NIGHT – 7:00 TO 9:00 P.M. This event will take place in individual AHS classrooms (Students will be at the front entrance to guide you to the room of your child’s counselor.)**

Junior year is an important time to research colleges and their requirements, so that when senior year arrives, it is simply a matter of applying to those institutions. Families can work together to determine an appropriate range of ‘reach’, ‘realistic’, and ‘safety’ schools. Guidance counselors are key school personnel to help with the process. This seminar will focus on an ‘Introduction to the College Search and the Admissions Process’.

Parents will take part in discussion groups with their child’s counselor, and a question and answer period will be offered at the meeting’s end.
