

Fifth Grade Mathematics Progress Report Benchmarks 2020-21

See *Assessment in This Unit* in each unit for sources of evidence.

Observations of student thinking during Ten Minute Math, activities, games, and discussions should be used as additional sources of evidence.

<p>Beginning: Requires significant teacher support and/or cues Progressing: Requires some teacher support or teacher prompting Meeting: Meets all benchmarks Exceeding: Meets level M and engages productively and independently with the offered extensions</p>	
Progress Report Item	Term 1 Meeting Consistently and independently...
<p>Perseverance Makes sense of problems that challenge the student and perseveres at solving them T1, T2, T3</p>	<p>Makes sense of problems that challenge the student and perseveres in solving them:</p> <ul style="list-style-type: none"> <input type="checkbox"/> spends time making sense of the problem <input type="checkbox"/> checks understanding while working on the problem <input type="checkbox"/> willing to try more than one strategy when needed <input type="checkbox"/> judges whether an answer makes sense and is willing to go back when it doesn't.
<p>Communication Communicates mathematical thinking clearly and precisely, orally and in writing T1, T2, T3</p>	<p>Uses mathematical language to accurately communicate understanding and reasoning</p> <ul style="list-style-type: none"> <input type="checkbox"/> orally <input type="checkbox"/> in writing (models, equations, labels, words) <p>Listens and responds to the reasoning of others</p>
Place Value Application	N/A
Multiplication/ Division with properties, models, and strategies	<p>Unit 1:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Solve 2- digit by 2- digit multiplication problems efficiently <input type="checkbox"/> Solve problems with 1-digit and 2 digit divisors <input type="checkbox"/> Use order of operations to solve computation problems
Fractions	N/A
Measurement & Data	<p>Unit 2:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Find the volume of rectangular prisms, including the use of volume formulas. <input type="checkbox"/> Find the volume of a solid composed of two rectangular prisms.
Decimals	N/A
Geometry	N/A
