

DRAFT 6D

Notes

B* Bishop/Brackett district will be a buffer zone for the start of the 2013-2014 school year and will become part of the Brackett District thereafter.

C* Bishop/Hardy district will be a buffer zone for the start of the 2013-2014 school year and will become part of the Hardy District thereafter.

E* The Brigham's site is currently under development, but will include approximately 117 household units. The Census Block that includes the Brigham site doesn't include any other household units.

F* Bishop/Thompson district will be a buffer zone for the start of the 2013-2014 school year and will become part of the Thompson District thereafter.

R* The Symmes site is projected to have approximate 176 household units. The Census Block that includes the Symmes site also includes other households, the total of all households is shown above.
