

GIBBS SCHOOL

TRANSPORTATION FOR SIXTH GRADE STUDENTS

Sixth grade students, by law, are entitled to transportation, provided that they live two or more miles from the GIBBS School. Please read the choices available to you below and circle one.

Option 1: I prefer that my sixth grade son or daughter take public transportation and be reimbursed, based on end of year school attendance records, at \$1.20 per day.

Option 2: I prefer that my sixth grade son or daughter be transported on a bus provided by the Arlington Public Schools. A school bus schedule will be mailed out to you along with your student's bus pass upon verification. *(Please familiarize your student with the APS Bus Protocol). APS will not be able to accommodate friends or unscheduled passengers*

Does your student(s) plan on attending the Arlington Afterschool Program at Gibbs and not utilize afternoon transportation?

- Yes
- No
- Sometimes

Please circle your choice - Option 1 (Public Transportation) or Option 2 (APS)
(Please Print Legibly)

Student Name: _____
District Home School (elementary) _____
Student Address: _____
Parent's Signature _____
Please Print Name _____
Parent's Email _____
Parent's Phone Number _____

Mail or Email completed form as soon as possible to: Steve Angelo, Director of Transportation, Arlington Public Schools, 869 Massachusetts Avenue, Arlington, MA 02474/ sangelo@arlington.k12.ma.us. Mileage from your residence to the GIBBS will be verified using walking routes created by Arlington's GIS Department. If mileage requirements are not met, you will receive a written notice that your student is ineligible. The deadline to apply for transport on a bus provided by the Arlington Public Schools will be **June 30, 2021**. Bus passes will be issued along with a schedule before the start of school for those students that qualify. We reserve the right to deny applications for the Arlington Public School bus received after **June 30, 2021**. Seating is limited and reservations are on a first come first served basis.
