

## Ottoson Middle School SIP 2018-2019

**1. Goal:** Implement ASPIRE (Announcements, Snack, Planning, Inspire, Rest, Engage in learning) program at Ottoson to create a learning environment that focuses on students social-emotional needs.

**Objective:** To give students a 10 minute break during second and third period to improve focus and allow learners to lessen stress levels.

**Person(s) Responsible:** Administration, teachers

**Benchmark:** Student and staff surveys

**2. Goal:** Educate staff, students, and parents about social media best practices and safety protocols.

**Objective:** To decrease incidents of cyberbullying and inappropriate use of social media

**Person(s) Responsible:** Administration, teachers, technology specialists, school counselors

**Benchmark:** Start collecting data on the number of student issues around social media and cyberbullying.

**3. Goal:** Create professional development opportunities using the EDUCamp model to share technology focused pedagogical strategies.

**Objective:** Share best practices and innovative teaching and learning strategies.

**Person(s) Responsible:** Administration, teachers, technology specialists

**Benchmarks:** Faculty meeting where teachers share technology practices. Create training opportunities for technology and learning apps.

**4. Goal:** Develop transitional protocols for students as they transition from Gibbs to Ottoson and Ottoson to AHS.

**Objective:** Create the "one middle school experience" between two buildings.

**Person(s) Responsible:** Administration

**Benchmarks:** Open communication and transitional activities planned with Gibbs  
Review transitional model from OMS to AHS.

**5. Goal:** Implement school vision: Excel, Empower, Engage

**Objective:** Share the school vision with staff and students to create a positive school culture.

**Person(s) Responsible:** Administration, leadership team

**Benchmark:** A completed school vision

**6. Goal:** Safe and Supportive School Team will continue to implement the effective response to behavior which was developed in 2018 to be implemented in 2019.

**Objective:** Reduce the number of detentions and suspensions at OMS.

**Person(s) Responsible:** Administration

**Benchmark:** Suspension and detention data
